Protect Your Best Friend

BY WENDY HARDY

Now more than ever, pets are playing a significant role in our lives and it is important to keep them safe and

healthy. Help make sure your furry family members are protected in case of an accident or illness with Pet Insurance by MetLife.

Just like health insurance for you and your family, pet insurance is coverage for your pet that can help you be prepared. Through MetLife Pet Insurance you may be able to **cover up to 90% of veterinary care expenses** from any licensed Vet, Specialist or Emergency Clinic across the U.S.

Since MetLife Pet offers one of the shortest waiting periods available, you can start your coverage in as little as 14 days. With our user friendly claims process, you can be reimbursed for a claim in 10 days or less.

MetLife Pet Insurance is billed directly to you. Unlike your other MetLife Benefits, enrollment for Pet Insurance will begin November 1st & available year round.
